CREAFIEPETS - is a new fun brand that was created by kids and for kids. Creafies are from Sunny Florida, they are Friendly Creative Creatures that will bright up your day and are hoping to make this world a friendlier place for growing children and promote World Without Violence (WWV). It seems that a lot of toys on the market are not exactly promoting friendship, happiness, or healthy and active lifestyle. All Creafies have activities that they enjoy, they celebrate with us our successes and bring joy and smiles to children's faces. So spend time doing your favorite outdoor activities with your kids and have joy in life!
